Keynote speaker

Sandy Kang and her husband, Ted, joined San Jose Christian Alliance Church in California in 2002. Their initial 2-year internship has been a 20+ year journey. Since 2014, Ted has been the lead pastor of the church which has become a beautiful multilingual and multicultural community.

Sandy is the staff director at Healing Grove Health Center after serving as the founding director of Gateway Preschool Academy. She also serves on the Empower Leadership team of the Metro District. With their four daughters, they love outdoor adventures, rafting down many California rivers, playing board games and engaging in many conversations around the dinner table.

Workshops:

On Saturday, four workshops will be offered at 11am and 4pm. You will have the opportunity to choose two of the four you would like to attend. Two of the topics will include Dealing with Hurts, led by Jane Wolf, and Growing in Holiness and Wholeness lead by Dona Schepens. You will soon find more information on the website.

Come join the fun!

Mercy Market will be back again, giving us the opportunity to bring hope to women around the world with our purchases.

Prizes

If you bring someone who comes for the first time, we will put your name and theirs in a drawing for a prize.
